

Welcome to Allendale!!

On behalf of the Allendale Newcomers and Neighbors Club, we would like to extend a warm welcome to you and your family. We are pleased to introduce you to our club which presently consists of over 100 terrific new, and not-so-new, families in our town. Our social club is a great way to meet new friends, for adults and kids, and get involved in the community

We plan many exciting events throughout the year. As a member, you will be invited to all of them, and you can choose which ones and how many you wish to attend. Our programs include: evening social events such as casual pub nights, a holiday party and the popular progressive dinner; ladies night out; men's night out and basketball and basketball leagues; book club; gourmet club; and community outreach. We also get the kids involved through organized playgroups and days out with our annual pumpkin picking hayride, spring egg hunt, and popsicles in the park, along with several others. We continue to grow and develop new activities based on our members' interests.

Our families have greatly benefited from being members and enjoyed many experiences with the club. We hope that you can take advantage of all it has to offer by becoming a member. Please feel free to join us at one of our upcoming events.

Hope you find the enclosed information helpful and take time to visit us on the web at www.allendalenewcomersclub.com or on Facebook at <https://www.facebook.com/ANNC.public>.
